Mini

Inkoo Vivid

Black Nickel VMC Hook

- Forged sharp for excellent penetration
- Strong to resist bending

Hammered Finish

- Better light reflection even in low light conditions

Holographic Finish

- Bright flash for added attraction

Double Split Rings

- Improves strength at a critical connection for superior hook hold

Glow Point

- Attracts strikes in low light conditions

Inkoo Vivid

TECHNIQUE: Tempting Flutter on the fall

Order No.	Size	Weight	RRP
BFINV18	90mm	18g	£3.50

Mini

TECHNIQUE: Casting and Trolling

Order No.	Size	Weight	RRP
BFM104	40mm	5g	£2.99

Heavy Tungsten Balls

- Imitates egg sac
- Weight aids in casting

Herring

3D Eye

- Detailed 3D eye, a natural predator target

Strong Scale Pattern

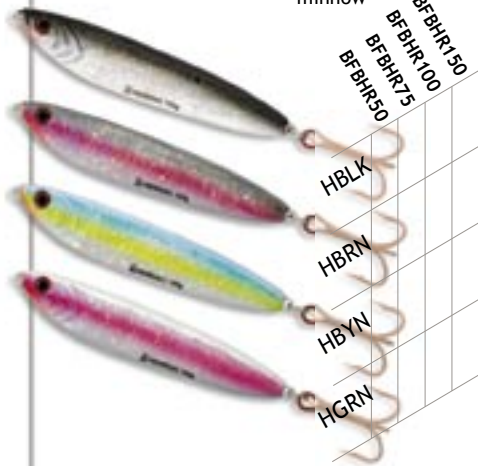

- Highly reflective finish works well even in low light conditions

Fluttering Body

- Flat and slightly curved body profile creates a fluttering action on the drop or retrieve

Extra Strong VMC Hook

- Red hook simulates wounded, bleeding minnow

Herring

TECHNIQUE: Fast Diving Jig

Bubble Floats

Bubble Floats

TECHNIQUE: Floating		
Order No.	Size	RRP
BFBF50_	50mm	£0.99
BFBF60_	60mm	£1.25

NEW Bulk Bags of 24

Order No.	Size	RRP
BFBF50B	50mm	£0.60
BFBF60B	60mm	£0.75

Durable, impact resistant body can be filled with water for desired buoyancy. Locking pin runs through the body for easy adjustment. Available in three colours, including glow green for low light conditions.

Enviroweight

Enviroweight

TECHNIQUE: Floating				
Order No.	Weight	Steel Length	Plastic Length	RRP
BFEW10	10g	8mm	60mm	£2.99
BFEW20	20g	8mm	60mm	£2.99
BFEW30	30g	10mm	60mm	£3.50

Manufactured from steel and plastic, the Enviroweight gives a special dimension to trolling and drifting on the bottom. The plastic line tie is flexible and adds an action enhancing spring effect.

Patriot

Patriot Floats

TECHNIQUE: Floating			
Order No.	Length	Weight	RRP
BFPF5CL	36mm	12-16g	£1.99
BFPF6CL	37mm	17-25g	£2.25
BFPF7CL	42mm	21-31g	£2.50

Bombard-style floats that can be filled with water for desired weight. Can be adjusted to float, suspend or sink. Unique design guarantees perfect balance regardless of fill level and provides extremely long and accurate casting. Choose from small, medium or large sizes.
